Dear Kis:- (C. H. Eman - Paper)

Your esteemed letter and card reached me in due time, for which I thank you, especially for your best wishes to me and my folks for New-Year.

It is my desire and was trying to make a trip myself to see you before you leave for the States to see you personal and talk to you but I am very sorry on acount of being unable to absent myself just now, I must therefore remain without to fullfil my desires.

I carefully took note of contents of your letter and I highly appreciat your confidence you have in me to take charge for Choinda & children, should your permanence in the States will not be soon, altho' I do not see the reason why you have to think so far,

and I honestly hope and trust that the Almighty will accompaining you during your trip and give you again your perfect health and bring you back very soon to us. Do not doubt that the operation you have to undergo will be just as simple as anything else.

Will write to Leopold with the first opportunity, & hope he will be in N.Y. for that time and do for you all what is in his power.

Am sending you my overcoat at the care of Henry, hope it will be of any use to you, have not got it for sale, but please make it yrs as long you need it just the same if it were yours.

Wish you a happy voyage and trusting that everything will prove quite satisfactory to you and have a good time in the States and will be soon back again. With my best loving regards to Rhonda & children.
